

NDIS Presentation for Service Providers and Support Staff about preparing for the National Disability Insurance Scheme (NDIS)

Cairns

With the imminent roll out of the NDIS in your area, the Qld Government has initiated a Targeted Strategies approach aimed at hard to reach people who may be NDIS eligible.

These presentations are aimed at service providers, staff, support staff, volunteers and community members who work with or for people with a disability, their families and carers who are culturally & linguistically diverse, Aboriginal & Torres Strait Islanders, homeless, have mental health issues or experience isolation in the community.

These are very important free events on how the NDIS will work and how you can help eligible people with a disability to access the scheme.
